PROFESSIONAL SUMMARY

Bachelor of Education in Computer Science graduate with hands-on experience in administrative support, ICT systems, field data collection, and community-based data verification. Comfortable engaging directly with the public, building trust with stakeholders, and maintaining accuracy and confidentiality when handling sensitive information and records. Self-driven, adaptable, and results-oriented, with a strong ability to work independently, meet deadlines, and learn new systems quickly, well suited to customer-facing, target-driven, and community engagement roles.

KEY COMPETENCIES

- Customer & Stakeholder Engagement
- Community Outreach and Field Data Collection
- Accuracy, Verification and Quality Assurance
- Record Management and Confidentiality
- ICT and Digital Literacy | Smartphone & Tablet Usage
- Microsoft Word and Excel
- Communication and Interpersonal Skills
- Independent Work and Time Management
- Report Writing

WORK EXPERIENCE

Administrative and ICT Support — *Progress Private Primary School* 2025 – Present

- Serve as a key point of contact for parents, staff and other stakeholders, handling day-to-day queries and communication professionally.
- Maintain school records and administrative documentation, ensuring accuracy, security and proper storage of institutional information.
- Manage digital information and electronic records, and prepare reports, letters and other administrative documents.
- Provide ICT support for school operations, including systems troubleshooting and technology-related communication.
- Assist with data entry and record updates, applying attention to detail and confidentiality at all times.

Field Enumerator — *Unified Beneficiary Registry (UBR) Project, Nkhata Bay District Council* Jan – Mar 2021

- Conducted household interviews and collected beneficiary information directly within assigned communities, engaging with residents to explain the purpose of data collection and gain their cooperation.
- Recorded and verified household demographic and socioeconomic data according to project guidelines, ensuring completeness and accuracy.
- Worked closely with supervisors and community leaders to coordinate outreach activities and resolve issues in the field.
- Adhered strictly to project procedures and data quality standards, and submitted completed data collection forms within required timelines.
- Maintained confidentiality of sensitive household information throughout the exercise.
